Business Modeling & Integration DTF

- **Highlights from this Meeting (1/2)**
  - Reviewed and recommended 3 RFPs for issuance –

    John Butler, Steve White, Robert Lario
    - Provenance & Pedigree Model and Notation (PPMN) ← Approved by AB
    - BPM+ Knowledge Package Model and Notation (BKPMN)
      – formerly KPMN
    - Situation Data Model and Notation (SDMN)

    ← Require an AB e-mail vote after additional review and possibly a new BMI e-mail vote

    Note: Specification Common Elements (SCE), mentioned last time, is no longer a separate RFP, but was merged into BKPMN and SDMN
